Years in Business: 20+

Unique tidbit:

Their uniqueness is the fact that they manufacture all of our own products. They have a plant in Nashville, Tn. where they create all of their products.

They have new LED pathway and up lighting. LED continues to be a hot topic with its 75% *energy* savings and 10x the life of traditional landscape lighting elements.

What they will be featuring at this year's Home and Garden Show and Holiday Fest
